**Job Description:**

CA State Dept. of Education – Diagnostic Center, Central (Fresno): The Diagnostic Center's **Teacher Specialist (with a specialization in behavior)** will participate as a member of a transdisciplinary team to assess developmental and educational delays among some of California's most complex and challenging students. Specialists provide professional development, assessment, consultation and technical assistance to educators and families.

**Required Documents:**

- Master's degree in special education or related field
- Appropriate CA credentials
- **MUST have BCBA certificate**
- Three years experience with school-age children
- Ability to present findings in a concise and sensitive manner verbally and in writing
- Ability to travel throughout Central CA, including overnight stays if needed.

**Highly Desired Skills Include:**

- Multi-cultural background
- Fluent Spanish skills
- Expertise in non-biased, developmental and play-based assessments
- Experience with diverse student populations
- Knowledge of special education law and wide range of disabilities
- Ability to prepare and present trainings on a variety of assessment and intervention topics.
